ENGINEERING & PROJECT EXPERIENCE

McMillon Innovation Studio - PepsiCo Gatorade: Propel Plus

Aug. 2026 - Present

Team Member | University of Arkansas

- Collaborate on a multidisciplinary team designing a real-world product innovation for PepsiCo Gatorade.
- Conduct consumer research on flavors and benefit claims related to immunity, energy, protein, and creatine.
- Analyze consumer perceptions and target-market opportunities to identify credible product concepts, messaging, and positioning.
- Translate research findings into recommendations for flavor development, product positioning, and market strategy.

LEADERSHIP

Engineering Peer Mentor

Aug. 2026 - Present

University of Arkansas College of Engineering

- Mentor 7 first-year engineering students through weekly meetings focused on academics, engineering expectations, campus resources, and college adjustment.
- Provide individualized guidance on time management, course planning, involvement, and strategies for first-year success.

Robotics Club Vice President

Aug. 2024 - May 2025

Pulaski Academy - Little Rock, AR

- Helped lead robotics teams to multiple state awards in BEST Robotics and Science Olympiad while coordinating project timelines and team problem-solving.

Chinese Club President

Aug. 2024 - May 2025

Pulaski Academy - Little Rock, AR

- Managed a 100+ member organization, recruited 51 new members, and led fundraising initiatives that generated approximately \$2,000.

ADDITIONAL EXPERIENCE

Taiwanese Center for Mandarin Learning

Aug. 2023 - Apr. 2025

Volunteer | Little Rock, AR

- Taught Mandarin to students from diverse backgrounds and introduced Taiwanese culture.
- Prepared classrooms and supported setup for learning activities and events.

Freelance Senior Portrait & Event Photographer

Aug. 2023 - May 2025

Self-Employed - Fayetteville & Little Rock, AR

- Managed client communication, scheduling, photography, editing, and project delivery using Adobe Photoshop and Lightroom.
